

Multiply your gift to Habitat for Humanity. Make an even bigger difference.

Thrivent Builds Giving is a program offered by both Thrivent Financial for Lutherans® and some of its subsidiaries in which \$1 will be contributed for every \$2 donated by eligible members and others to Habitat for Humanity International® or to a local Habitat for Humanity affiliate.

In addition, when those eligible members or others volunteer 25 hours or more with Habitat for Humanity, Thrivent Financial and some of its subsidiaries contribute another \$25 per year per person to supplement their donation.

The dollars contributed will help homeowner families achieve greater economic independence through the building of decent, simple, affordable homes.
